## Feeding Young Futures

For over a decade, Meals & More has supported the provision of healthy meals and enriching activities for children living in poverty across the UK during the school holidays. Now in our 11th year, we continue to feed young futures by working with community partners to help children thrive when school is closed.

Since its foundation in 2015, by Brakes, Meals & More has supported over 2.8 million meals and has partnered with over 400 holiday clubs in deprived communities, giving children access to:

- Healthymeals in a safe, welcoming environment.
- Sports, crafts, and educational activities to keep young minds and bodies active.
- Supportive social spaces that build confidence and friendships.
- Big Day Out - opening up new experiences and adventures for children, from seaside trips to outdoor exploration, helping them enjoy the kind of holiday memories every child deserves.
- Big Christmas Party - bringing festive joy with a hot meal, fun games, and a goody bag to take home.

With 67 trusted community partners and 400+ clubs, Meals & More reaches 45,000 unique children each year. By supporting provision of food and enriching activities, we help children thrive - keeping them engaged, supported, and connected, even during the hardest times.

*Meals & More is on a mission to support 1 million healthy meals every year by 2030, but we can't get there without your help. By using Easyfundraising when you shop online, you can help us grow and reach more children across the UK. Every purchase you make adds up to more meals for children who need them most, it's an easy way to make a big difference.*

I use it myself whenever I shop online — it's a simple way to make a big difference without spending an extra penny! Last week I renewed my home insurance through Moneysupermarket.com and they donated £17.50 to Meals & More!"
